

Holding Fast In Evil Days

OUT OF THE WORD

By: Minister Joshua P. Yonts at First Christian Church of Pinckneyville

As the China virus along with its top creator Dr. Anthony Fauci exits the world scene, get ready for another world crisis as the Globalist will usher in not this time a health pandemic but a climate pandemic. It is already happening, and everyone is turning a blind eye. This time their puppet will not be Fauci, but Bill Gates. There is much corruption going on in our land. Thousands of illegal immigrants are flooding into our precious nation and the deep state is freely transporting them to red states such as Texas, Tennessee, and Virginia so those states will become blue. It is all about power since they know their policies are *for the birds*. Not to mention corrupt media and censorship going on as well through Big Tech. However, the true “pandemic” is not the flu but babies being murdered largely due to fornication and adultery. All this chaos going on can cause fear, doubt, or even worry if the child of God is not rooted in the Word of God and prayer. When the child of God is rooted in the Word of God what we discover is this: The truth of Scripture is the ground of faith (Dan. 10:21). Just like Malachi in the Old Testament was the last trumpet that sounded in the Old Testament, as he lifted his voice and told the Jewish nation of their sins (Mal. 3:16-17). What we need to remember as the people of God in these evil days is that a description of the godly will be marked by their fear of the Lord. Malachi says they will speak often to one another and think upon God’s name. Many professing Christians are in a state of what I call ‘*religious churchism*’. That is in a state of inactivity and merely just “*maintaining the status quo.*” Very few are standing up for God as it seems that everybody is scared to offend someone. Jesus never really cared about anyone’s feelings, he cared about their soul. In these evil days and the profaneness of the times, it should not slacken but heighten our zeal for God. It seems that many professing Church people are becoming very loose, but the true

children of God will tighten up and speak up for God (Mal. 3:16). The people of God do not need to be the plaintiffs but the defendants (Jud 3). The people of God speak for God when everyone else speaks against God. In Noah's day, all flesh was corrupt to the core, and they were drowning in sin way before they drowned in the water. Noah overcame because, "*Noah was perfect in his generation, and Noah walked with God*" (Gen 6:9). Noah guarded the truth and stood up against it when his culture despised it. The point is this, the church needs to wake up! The more outrageous everyone is in sin, the more courageous we should be for truth. We should be the holiest in evil times (Matt. 5:47, 2 Cor. 6:17). The way to hell is as broad as broad gets, that is why we keep ourselves pure. To be the holiest in evil times is an indication that grace is alive in our hearts. That is the one who views grace as costly. Everyone else is engaged in "churchism", just *doing* church on Sunday, rather than *being* the church. The conclusion is this, the true Church will swim against the evil rather than float downstream. The floating Church is a dead Church (Rev. 3:1). "*Wake up, and strengthen the things that remain, which were about to die.*" (Rev. 3:2). Is your Church floating or swimming? The only way to hold fast is to start swimming and don't stop until Jesus comes, or you go to Jesus. Swimming is hard to do when you're asleep.
